

Ilton village and RNAS Merryfield are to the east of the A358 which links the M5 and A303

TA19 9HN

Location & Car Parking

RNAS Merryfield is a working airbase and therefore entrance to the site cannot be before 11.30.

The route to the entrance is through the village of Ilton, with the lane immediately before the entrance narrow and potholed!

Within the airbase there are designated routes for vehicles with a speed limit of 15mph.

There is a vast tarmac area designated for parking, spectating and administration.

There will be a car parking charge of £5.

PLEASE NOTE - the airbase is quite remote with non-existent mobile reception! Thus cash is needed for the car parking charge and for the purchase of refreshments.
