The criteria for selection in order of priority are as follows:

5. Athletes in the first year of their age group who finish in the first three and whose performance shows promise for the future will be CONSIDERED.
6. Other athletes who finished in the first three will be CONSIDERED.

If you think you might be considered for County Team selection for the National Championships at Birmingham on Friday & Saturday 7th & 8th July

Please go to the ESAA website and register your details there – this will speed up the entry procedure and ensure that your name is spelled correctly in event programmes, on tee-shirts, in results, and on TV.

By registering yourself you will also have the option to provide TV commentators something to say about you if you reach a televised final. If you have not already registered, please DO THIS TONIGHT so that we have your details in time for the County Team selection meeting tomorrow. If you registered last year, you still need to re-register – we don't store your information from one year to the next.

NB – Registering your details online does not guarantee selection as we can only select a maximum of 40 athletes.

Go to www.esaa.net then click the **Register for your County Team** link on the home page.

Yours sincerely

Terry O'Brien
